

2012 Musket Ridge MISGA Membership Application

The Maryland Interclub Senior Golf Association (MISGA) is for senior golfers age 50 and over, who are members in good standing of Musket Ridge Golf Club (Blue-Gray, Senior, Individual, Family, Corporate, Weekday). Visit the Musket Ridge MISGA web site @ <http://mrmisga.org> for more information.

A Musket Ridge MISGA membership is \$25 per year which includes both state and local MISGA dues.

You are responsible for recording all of your scores throughout the season according to the rules of the USGA. **You must have an established USGA handicap to participate in any Musket Ridge MISGA event (mixer), at home or away.** Posting of scores is monitored by our handicap committee and failure to post scores according to USGA guidelines may result in suspension of playing in MISGA mixers until all scores are properly posted.

Members are required to be on time for all mixers they sign up to attend. You are also responsible for notifying the host club as soon as possible when you have reason to cancel. A member who does not show for an event they have signed for will be warned the first time, may be fined \$15 the second time, and the next occurrence may result in suspension. Some clubs will charge for a no-show (signed to play, but does not show, or fails to call the host club pro shop prior to one hour before tee-time), and other clubs have indicated they plan to assess a fee for missed meals as a result of no-shows. If we are assessed either of these fees, we will pass it on to the offender. The fee must be paid before the offender is allowed to participate in another Musket Ridge MISGA event.

Also note that all MISGA courses require soft spikes, collared shirts, and no denim is permitted.

Please sign to acknowledge that you have read, understand, and accept the terms stated above.
